World Business Angel Investors Week: Angel Investors' Flagship

World Business Angel Investors Week is envisioned as a great platform where all stakeholders pause to assess their fast-paced journey, to analyse why and how we should leverage angel investment as a must-have financial tool for boosting economies, and to reiterate how entrepreneurial ecosystems can create more jobs, more wealth and more social justice in co-operation with key players in early-stage equity markets. It is celebrated every year, under a global theme.
